Presidents Message

Greetings,

Welcome to Montgomery County Genealogical & Historical Society, Inc. located in Conroe, Texas!

We thank you for visiting and ask that you consider joining as a new member or renew your existing membership. A two year membership or renewal is always appreciated.

It is no secret that many genealogy societies have succumbed during the past several years. There are many reasons of course, but primarily the Internet. While the Internet has been a blessing to those who have contracted the genealogy bug, what it cannot do is provide the camaraderie and excitement of belonging to a vibrant organization like ours, particularly one that appreciates your involvement like we do.

Members are needed for many reasons:

- to sustain operations
- to provide moral support to each other
- for financial support
- Help in solving brick wall problems

Like many organizations, there is usually a core group of people keeping it going. That is the case here as well, BUT we want new members and their new ideas. Should you become a member here, expect to be asked for your ideas and if you of mind to, put to work doing something.

New and Renewing Members are appreciated and Always Welcome! Our dues, at \$25.00 per family, are about as low as they can go. It is a bargain and we hope you will consider joining or renewing.

Young and/or "old" members are needed to help us reach everyone interested in the Genealogy of their families, friends and associates. Our focus is on Montgomery County Texas, but we do research in adjacent counties as well.

Thanks again for visiting the web site! We hope you enjoy what you see and if you can, how about sending in a membership application while it's fresh on your mind.

President
